

Forestry Innovation Investment Ltd. (FII) is a B.C. Crown agency with a mandate to develop and diversify markets for B.C. forest products around the world as well as promote provincial forest practices and the environmental merits of wood products. FII China is a subsidiary company of FII Ltd.

Director, Corporate Communications, Shanghai

Forestry Innovation Investment China is seeking a Director of Corporate Communications to develop and manage the internal communication activities in our Shanghai office. This requires developing a strong professional working relationship with Canadian stakeholders to understand and meet their communication requirements as it relates to advancing Canadian wood use in China. The Director contributes to the development and implementation of the corporate communications strategy to increase the awareness and understanding of the China operations activities. Working in a close, collaborative team environment, the Director works to build a shared understanding of company goals and reports on achievements.

We are looking for a professional communicator who can direct and implement the development of written and online communications that link to our business objectives and industry requirements. Experience writing professionally in English is required.

Interested candidates are asked to view the complete job description and qualifications at www.bcfii.ca under *Contract and Employment Opportunities*. Please submit your resume and cover letter electronically along with your salary expectations to nansiang.lim@bcfii.cn as soon as possible.

Forestry Innovation Investment China (FII China) is committed to providing a healthy, safe and inclusive workplace where respect and diversity are recognized assets. FII China encourages and welcomes applications from qualified and diverse people committed to meaningful work that makes a difference.
