

Request for Qualifications FII-19-02 Economic, Market & Technical Research Services

Addendum #1—April 24, 2019

Answers to Questions received as at April 23, 2019

This information is posted on both <https://www.bcfii.ca/about-fii/contract-career-opportunities> and <https://www.bcbid.gov.bc.ca>.

- Q1: Will FII accept minor edits to the terms and conditions outlined in Appendix B from proponents?
- A1: *5.7 Form of Contract - It is expected that any proponent on the List of Qualified Suppliers who is awarded a contract will enter into a contract with FII in substantially similar form and on substantially similar terms and conditions as the contract attached as Appendix B.*
- Q2: The RFQ says this doesn't cover programs out of China and India, and from my experience with FII the focus has tended to be North America. Should we focus on response on our presence and capabilities in the US and Canada, or would there potentially be the need for PR and strategy support in other regions, e.g. Europe or Asia?
- A2: *The focus should be on "Section 2.2.1 Background" as written.*
- Q3: A member of our staff has previously worked as a subcontractor (to another company) on a project worked on for FII. We would like to use his contracted Project Manager as his professional reference. Is this acceptable?
- A3: Yes
