

Request for Proposal FII-25-01 Mexico Market Research Report

Addendum #1 – August 18, 2024

Answers to Questions received as at August 18, 2024

This information is posted on both <https://www.bcfii.ca/contract-opportunities/> and <https://bcbid.gov.bc.ca>.

Q1: Referencing Section 1.2 RFP Schedule and Section 2.2.4 Timeframe, we understand that FII will advise proponents of results by September 19 and a draft report is due on October 15.

Q1.a What are FII's key drivers of the identified due date for the draft report?

A1.a FII is working on timelines based on market intelligence needs. To meet various internal decision-making initiatives, FII would like to incorporate some of the findings by the deadline provided.

Q1.b Do you anticipate any flexibility around the timeline or scope of the analysis conducted by October 15?

A1.b Based on the above, we have limited flexibility.

Q1.c What is the anticipated final report timeline?

A1.c Based on the preliminary findings and initial draft received, FII may choose to allow flexibility should further need arise to attain a comprehensive final report.

Q2. Is there an indicative budget FII is working with for this scope of work?

A2. No, there is no indicative budget.

Q3. For engagement and interviews required for this project, will FII provide the necessary warm contacts for engagement, or will the proponent be required to recruit interview subjects (e.g., through cold call and outreach)?

A3. It is the expectation that the proponent will have contacts and stakeholders to interview.
